- (a) General rule. Subject to this section and to paragraphs (a) and (e) of §422.374, CMS may waive the State licensure requirement if the organization has applied (except as provided in paragraph (b)(4) of this section) for the most closely appropriate State license or authority to conduct business as an MA plan.
- (b) Basis for waiver of State licensure. Any of the following may constitute a basis for CMS's waiver of State licensure

- (4) State declines to accept licensure application. The appropriate State licensing authority has given the organization written notice that it will not accept its licensure application.
